Dear Mr. Sundstrom:

This is to notify you that the required public notice for the Yakima Agricultural Research Lab is scheduled to appear in the Yakima Herald-Republic on December 15, 1989. We have attached a copy of the notice as it will appear in the paper.

As outlined in the notice comments on the closure plan will be accepted for 30 days after the publication date. After this period of time we will address any comments received and if necessary request that modification in the plan be made prior to final approval. After the plan is approved it is to be implemented in accordance with its terms and schedules.
